Re; Elearn.

Dear Sirs;

Dunwoody & Dobson Ltd recently engaged the services of Elearn to assist with setting up an online site induction sessions and other elearning solutions for a number of projects.

We found the team very professional to deal with, they provided expert advice and assistance.

To date the feedback from both our site crews and Clients is very positive.

We look forward to continuing to work with Elearn in the coming years.

Yours Sincerely;
For Dunwoody & Dobson Ltd

Darren Quinn.
Safety Manager.
